2. Non-Returnable Items

- Software licenses (digital or physical) once activated.
- Items marked 'Final Sale' or 'Non-Returnable' at time of purchase.
- Customized or personalized hardware configurations.
- Items damaged due to customer misuse, physical damage, or water damage.
- Products with broken or tampered warranty seals.

3. Return Process

3.1 Initiating a Return

Step 1: Log in to the NovaTech Customer Portal. Step 2: Navigate to Orders > Select Order > Request Return. Step 3: Select the item(s) and reason for return. Step 4: Print the pre-paid return shipping label (where applicable). Step 5: Pack the item securely in original packaging if possible. Step 6: Drop off at the designated courier partner.

3.2 Return Shipping

NovaTech provides a free pre-paid return label for defective or incorrectly shipped items. For change-of-mind returns, the customer bears the return shipping cost (Rs.149 flat deducted from refund).

4. Replacement Policy

4.1 Defective Item Replacement

Defective items are eligible for a like-for-like replacement within 30 days of delivery. Replacement ships within 2 business days of the defective item being received and inspected. Expedited replacement (ship before return) is available for enterprise customers with an active support plan.

4.2 Replacement Timelines

Scenario	Replacement Dispatch	Notes
Defective on arrival (DOA)	Within 24 hours	Photo/video proof required
Defect discovered during use	2–3 business days	After inspection of returned item
Wrong item shipped	Same day	Return label issued immediately
Missing components	1 business day	Partial replacement only

5. Inspection & Approval

All returned items undergo a quality inspection within 1–2 business days of receipt. The customer is notified of the inspection outcome via email. Approved returns: refund or replacement initiated within 24 hours of approval. Rejected returns: item returned to customer with a detailed reason.
