

Shipping & Delivery Policy

NovaTech Solutions — Customer Operations

Version	v1.8	Effective Date	2025-02-01
Department	Customer Operations	Last Review	2025-03-01

1. Overview

This policy applies to all physical product orders placed through NovaTech Solutions. For digital product delivery (software licenses, API keys), refer to the Digital Delivery section below.

2. Order Processing

2.1 Processing Times

Order Type	Processing Time	Cutoff Time
Standard Order	1–2 business days	5:00 PM IST
Express Order	Same day	12:00 PM IST
Bulk / Enterprise Order	3–5 business days	3:00 PM IST
Custom Configuration	5–10 business days	N/A

Note: Orders placed after the cutoff time are processed the next business day.

2.2 Order Confirmation

An order confirmation email is sent within 30 minutes of successful payment. This email contains the Order ID, itemized invoice, and estimated delivery window.

3. Shipping Methods & Rates

Shipping Method	Estimated Delivery	Cost
Standard Shipping	5–7 business days	Free (orders above Rs.999)
Express Shipping	2–3 business days	Rs.199 flat
Overnight Shipping	Next business day	Rs.499 flat
International (South Asia)	7–12 business days	Calculated at checkout
International (Rest of World)	14–21 business days	Calculated at checkout

4. Tracking

Once an order is shipped, a tracking link is emailed and also available in the customer portal under Orders > Track Shipment. Tracking updates within 24 hours of dispatch. For third-party courier partners, NovaTech provides the AWB number; tracking is managed on the courier's website.

5. Delivery Issues

5.1 Delayed Delivery

If an order has not arrived by the estimated delivery date, customers should wait 2 additional business days before raising a complaint, as delays may occur due to weather, customs, or courier backlogs. After that, contact support with the Order ID for investigation.

5.2 Damaged / Incorrect Items

Report damaged or incorrect items within 48 hours of delivery by emailing support@novatech.io with photos of the package and product. NovaTech will arrange a replacement or refund at no additional cost.

5.3 Failed Delivery Attempts

Courier partners make up to 3 delivery attempts. After 3 failed attempts, the package is held at the nearest facility for 7 days before being returned. Re-delivery charges apply if the package is returned and needs to be reshipped.

6. Digital Product Delivery

Software licenses, API keys, and digital subscriptions are delivered electronically within 15 minutes of payment confirmation. Access credentials are sent to the registered email. If not received within 1 hour, check your spam folder or contact support.
